NOT YOUR AVERAGE EVENT

Simmons opened its first bar in King's Cross back in 2013 — and we haven't looked back since.

With a love for great service and unmistakable atmosphere, hospitality has always been at the heart of what we do.

With over a decade of experience under our belt, we know exactly how to throw a party. From team drinks to full-blown takeovers, Simmons has 15 venues across London, each with its own personality.

Expect delicious cocktails (yes, in teacups), quirky interiors, late licences, and an atmosphere that doesn't take itself too seriously.

Whether you're planning a small celebration or hosting 450 guests, we've got the space – from function rooms and karaoke booths to full venue hire.

Whatever the occasion, we'd love to host you.

GO THE EXTRA MILE

Planning an event can be stressful, the hardest thing you should have to decide is what to wear. Our in-house party planners have top connections across the city, so we'll handle the tricky stuff for you.

Live DJs

From throwback bangers to guilty pleasures, our DJs know how to read a room. Whatever your vibe, we promise to meet your music expectations.

Karaoke

Nothing livens up a party quite like some bad singing. Whether you're hosting 5 guests or 150, we've got unique karaoke rooms ready to add some fun to your event.

Entertainment

Live singers, drag queens, cabaret, circus acts and more. We work with top-tier entertainers to bring the chaos, the sparkle, and the 'did that really just happen?' energy.

Retro Games

Sega Megadrives. Dance mats. Pac-Man. Most of our venues come with retro games built in – and yes, you can absolutely use them as part of your event.

FOOD & DRINK

From welcome drinks to unlimited packages, our team can tailor the perfect set-up for your event. Whether it's rounds of our famous teapot sharers or something more bespoke, we'll work with you to get it right. Our non-alcoholic cocktails bring just as much style and flavour too. No compromise.

Food to fuel the party? Our catering team can whip up a feast to keep everyone going. Prefer something else? Feel free to order in. Deliveroo is always on the guest list.
